## YOU ARE INVITED TO ATTEND A ONE-DAY SYMPOSIUM

### Strategies for Success: Best Practices to Support Advising Learning Outcomes

October 20, 2016

#### **Complete College Georgia Collaborative Capacity Grant Symposium:**

This professional development opportunity on October 20th will explore best practices to support core learning outcomes for academic advising. Sessions will convey a consistent message to increase student retention and persistence system-wide while providing a fundamental framework in which institutions can build upon to best serve their unique student populations. Attendees will have the opportunity to leave sessions with a foundation to develop meaningful assessment plans to make data driving improvements to academic advising.

**Who Should Attend:** USG Academic Advisors, Student Success Coaches/Mentors, Retention Specialists, Institutional Researchers, and Academic Administrators.

**Location:** Atlanta Metropolitan State College

**Time:** 8:30 to 4:00 pm
